Dear Stan:

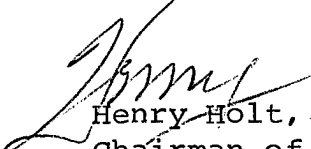

You certainly gave the Principia College community a special treat last night with your visit to the campus and your talk in Cox Auditorium. It was a special occasion and one which we will all remember for some time.

Betsy and I were so pleased to have the opportunity to be with you and Pat, and we will look forward to any other opportunities we have to be with you in the future.

We hope that your next visit to Principia will be longer and at a time when the weather is more suitable for viewing our campus and enjoying more contact with the students and faculty.

Thanks once again for the generous sharing of your time and most impressive message which you gave us.

Very sincerely,

Henry Holt, Jr.
Chairman of the Board
